

TAKE BODIES
OUT OF RUINSMore Details of Italy's Latest
Earthquake Horror

HOSPITALS ARE CROWDED

The injured list from yesterday morning's quake is much larger than was at first reported.

Rome, June 8.—Fifty bodies have so far been recovered from the quake ruins. Calitri, San Sossia, San Sele and other places were shaken. It is now believed that the death list has increased twenty-five. The number injured is greater than was early estimated and hospitals in the stricken region are overflowing. The hurricane, which killed six, caused great loss in Italy and Sardinia.

The government has taken hold of the situation with promptitude, and although the earthquakes occurred during the night, it was not long before the military and civil authorities were hard at work, rendering aid to the injured, preparing places of shelter for the homeless and bending their energies to the re-establishment of order.

Premier Luzzatti received word of the disaster at five o'clock in the morning, less than two hours after the occurrence of the quake, and he at once communicated the news to the king. The latter decided to leave immediately for the district. He intended to go alone, but Queen Helena insisted upon joining him. The king thought that this was not necessary, as the situation at Avellino was not to be compared with that at Messina, where their majesties spent several days in alleviating the distress of the people. In reply to the king's protests, Queen Helena retorted:

"As my presence is necessary at all festivities, it must not lack where the people die and weep. In the south, Italians suffer, therefore, I must go. It is my place as a woman and a mother."

The king and queen were cheered by the crowds at the station as they hurried to the train and inspected the medical and other supplies.

LAD IT TO MINISTERS

Superstitious Italian Mob Would Have
Attacked Them.

Naples, June 8.—A report received from Avellino describes the narrow escape from death at the hands of a superstitious mob of a party of American clergymen who happened to be in the province when the earthquake occurred. Some of the panic-stricken populace believed that the calamity was due to the presence of the clergymen and attacked them with the avowed purpose of hanging them.

Fortunately the police learned of the assault and rescued the ministers, afterward escorting them to a safe distance from the village.

TAFT EMISSARIES
TO WELCOME T. R.

President appoints Secretaries Wilson and Meyer, who were members of Roosevelt cabinet.

Washington, D. C., June 8.—President Taft today asked Secretary of Agriculture Wilson and Secretary of the Navy Meyer to go to New York to welcome Roosevelt. They will be accompanied by Taft's aide, Capt. Butt, who will bear a letter from the president, welcoming Roosevelt. Secretaries Meyer and Wilson were selected because they were members of Roosevelt's cabinet.

CAR EXPLOSION HURTS SIX.

Controller Blows Up and Passengers
Jump to Escape Flames.

New Haven, June 8.—Six persons were more or less seriously injured and a number of others hurt when the controller of an open trolley car, running through Grand avenue late yesterday, blew up with a loud report and a sheet of flame enveloped the side of the car. Among the 30 passengers on the car were a number of women and several of these in their panic either jumped or fell from the moving car, receiving more or less serious injuries. The others were taken to their homes in ambulances.

COLEMAN ON STAND.

Made to Show How He Juggled the Bank
Figures.

Boston, June 8.—Bank wrecker George W. Coleman was a witness for the defense today at the resumption of the trial of "Big Bill" Kellor for complicity in the wrecking. The details of how Coleman juggled the books were obtained by Kellor's counsel, these facts having been refused admission by Judge Hale on Coleman's cross-examination. An effort is being made to show that the bank officials were responsible for Coleman's long "white light" career.

PART OF CREW SAFE.

Captain and Twelve of Crew Taken from
Abandoned Vessel by Another.

Norfolk, Va., June 8.—A wireless message from Diamond shoals lightship says that the U. S. steamer Metta has signalled that she has aboard Captain Erickson and twelve of the crew of the bark Grindhouse at Philadelphia, which has been abandoned.

D. WHITING & SONS
SIGN SCHEDULE

Big "Milk Strike" in Boston Practically Ended by That Action Following Signing by Hood & Sons.

Boston, June 8.—The "milk strike" which began on the first day of last month, when the producers throughout the northern half of New England and through Rhode Island withheld their supply from the Boston contractors, was ended late yesterday by the signing of a new schedule of winter prices for all milk delivered during the next ten months by the firm of D. Whiting & Sons, the firm of H. P. Hood & Sons signed the agreement Monday. These two firms are the largest contractors in the city.

The contest has been carried into the state legislature, and has involved the state and local boards of health, through the efforts of contractors to secure milk from considerable distances. One or two contractors were held into court, and various legislation, affecting health regulations and transportation rates, has been introduced, and much discussed in many hearings.

It is now believed that the few remaining contractors will fall into line. Last night Secretary W. A. Hunter of the Boston Cooperative Milk Producers' association stated that all milk which had been withheld by the producers would be immediately shipped to the contractors and word to that effect has been sent throughout New England.

Whether the new prices to be paid producers will meet the price has not yet been divulged by the contractors.

FIRST PARLIAMENT
UNDER GEORGE FIFTHLiberals Will Not Attack House of Lords
Until New Issue Is Familiar with
Duties—Truce May Not Last
Long.

London, June 8.—The first parliament under George the Fifth began today. The Liberals, according to a promise made after the death of King Edward, announced that they would postpone their attack on the house of lords until King George was familiar with his duties. The Conservatives and Liberals are suspicious of each other and the truce is expected to last only a few weeks.

TWO SUICIDAL ACTS FAIL.

Barber Cuts Throat, Then Jumps In
Front of Train.

Boston, June 8.—John Murray, for many years employed as a barber in various hotels and for the past year at the barbershop in Young's hotel, attempted suicide by cutting his throat yesterday afternoon at the corner of the street where he worked. The wound was not deep enough to walk to the Union-Friend station of the elevated and jumped in front of an elevated train, causing without the slightest injury. Just before his first attempt Murray had had angry words with a fellow-worker and threatened to use a razor on the man.

He was rushed to the Relief hospital, where it was found that the wound in the neck was not dangerous and there were no other injuries on his body. He expressed regret for his rashness after his wound was dressed and said he would willingly go home. He lives at 74 Tenney street, Somerville.

MURPHY GETS DECISION.

Won Over Dave Deshler at Army Athletic Association.

Boston, June 8.—A straight left and a right upper cut, used continuously and effectively throughout the bout, gave Edward Murphy of Boston the decision over Dave Deshler of Cambridge, at the end of twelve rounds of fast and interesting fighting at the Army Athletic association last night.

Johnny Moran of New York, easily outpointed "Al" Limerick of Haverhill, for eight rounds and the preliminaries, Limerick going to the floor once in the fifth.

Jimmy Furey of Attleboro, outfought "Kid" Pansy of Hallowell, Me., in their bout of eight rounds. Pansy, however, winning hearty applause for his staying qualities and ability to take hard punishment.

DREXEL-MAIDSTONE WEDDING.

Bishop of London Performed Ceremony.
Wedding Gifts Valued at \$50,000.

London, June 8.—With the marriage to-day of Margaret Drexel, daughter of Anthony J. Drexel of Philadelphia, to Viscount Maidstone, another bundle of American dollars has found its way to British nobility. The Bishop of London officiated at the wedding and the troops of the bridegroom's regiment of the Royal East Kent yeomanry lined the aisle of St. Margaret's, Westminster. Following the ceremony came a reception at the Grosvenor square Drexel mansion. The wedding presents were among the most costly ever seen, their value being estimated at half a million dollars. The bride and groom will spend their honeymoon in France and Italy.

LITTLE FOR CREDITORS.

Referee in Sederquist, Barry & Co., So
Informs Them.

Boston, June 8.—After waiting more than a year, the 800 creditors of Sederquist, Barry & Co., bankrupt stock brokers of this city, were informed yesterday that there was scarcely more than a few dollars to meet the claims amounting to over \$200,000.

A special meeting for the presentation of claims was held yesterday at the office of Referee Henry E. Warner, and while each creditor was told that he would be notified later of the amount available on his claim, it was stated that legal expenses had consumed nearly all of the \$20,000 assets.

UNION LABOR
VICTORY WONPres. Ban Johnson Signs Im-
portant Contracts

UNION MEN ARE JUBILANT

He Decides in Favor of Closed Shop Labor in All American League Ball Parks and Sale of Union Cigars and Tobacco.

Cleveland, June 8.—Union labor is jubilant over its sweeping victory in the boycott of the Cleveland baseball club, when President Ban Johnson signed closed shop contracts today for all the teams of the American league. The agreement provides that union labor only will be employed in all ball park repairs and that the cigars and tobacco sold in the parks will be union goods. The matter started over the work on the Cleveland club park, it being claimed by union labor that unfair labor was employed in construction.

LIBRARY INSTITUTE.

Will Be Held at St. Johnsbury from June
20 to June 25.

St. Johnsbury, June 8.—The week of June 20-25 will bring librarians from all over the state and from other states to St. Johnsbury. Tuesday the State Library association will hold its annual meeting for the discussion of business and of problems very vital to the librarians. The program includes these subjects: "The need of books on practical subjects for the small library," "What good points to look for in the selection of fiction," and "The art of story telling." There will be a lecture and reception in the evening.

Wednesday, the state board of library commissioners will open an institute for the free instruction of librarians. The sessions, of three hours each, will be twice daily for three days. Mrs. Belle H. Johnson of the Connecticut library commission will give lectures and practical instruction in cataloging. Mrs. Abba D. Chamberlain of Portland, Vermont, will give lessons in book binding. There will be exhibitions of books and pictures, of bulletins, and library systems, and of other interesting material; to which all librarians are invited to contribute. Two prizes will be awarded, of \$10 and \$5, for the first and second best exhibitions of library advertising.

The state board of library commissioners will also give prizes to librarians, teachers, and anyone interested in the work. Application for board and lodging should be made in advance to Mrs. Ella S. Trux, 22 Summer street, St. Johnsbury. The commission has made arrangements by which lodging may be had for 25 cents per diem and board and lodging for \$1.00 per diem.

In many cases the library trustees pay the expenses of the librarian to these meetings, believing that the community is sufficiently benefited by the increased efficiency in the service of the librarian to warrant the expense. However, the law provides that the expenses of a librarian in attendance at the institute may be paid by the town, city or incorporated village employing the librarian.

YOUNG BOY SUICIDE.

John Newman, Aged 14, Hanged Himself
With a Sheet.

Westboro, Mass., June 8.—John Newman, aged 14, son of William E. Newman, of Cambridge and an inmate of the Lyman school for boys, committed suicide yesterday afternoon, by hanging himself with a sheet in the detention room of Lyman hall where he had been confined for punishment.

The boy ran away from the school Monday evening, intending to return to his home in Cambridge, but was captured at the Lyman-street waiting station of the Boston & Worcester street railway. He had with him at the time a large military sword, such as is used by the boys in their drill.

He was taken back to the school, and at midnight was placed in the detention room for a day's punishment of solitary confinement. He seemed glad to be back, and yesterday when given his breakfast and dinner, appeared to be in good spirits.

He was given his dinner about 11:30 a. m. At 6 o'clock last evening the official of the school, who went to take him his supper found him hanging lifeless by a sheet fastened to an iron grating in the wall. He had apparently fastened the sheet to the grating and then, tying the other end about his neck, jumped from the bed.

Supt. Elmer L. Coffeen of the school, who was called, found the boy's body taken down and laid on the bed, and then notified Medical Examiner Charles S. Knight. Dr. Knight reported that there was a clear case of suicide, and that no blame was attached to the school officials. The boy, he said, had been dead four hours before he was found.

John Newman was the son of William E. Newman of Cambridge, a prominent member of the Cambridge fire department. The latter had complained that he could do nothing with his son. The boy had previously been sent to the Mid-dex county training school, and was committed to the Lyman school May 28 as a stubborn child. He was born in Cambridge, Aug. 23, 1895.

Supt. Coffeen said that while at the Lyman school Newman had been a very good boy but that he acted strangely, being downcast and melancholy. This fact and the incident of the boy's carrying the sword when he ran away led him to think that he could not have been in his right mind. It is believed to be the first suicide at the Lyman school since its establishment.

CHILDREN FIND
DEAD MAN'S BODY

There Were Some Bruises On Face of James P. Lee of Burlington and An Autopsy Was Ordered.

Burlington, June 8.—The body of James P. Lee of Myrtle street was discovered on the bank near the corner of Bissell and Haswell streets yesterday afternoon by two children at play. The body was lying a short distance from the street and the fact that it was not found before was owing to its being hidden from view by bushes. Death is thought to be due to heart failure, but an autopsy will be performed by Health Officer C. F. Dalton.

Lee was employed in the lumber yard of J. R. Booth and worked Monday but did not go there yesterday because of the rain. He left home as usual in the morning and was seen about the streets during the day in an apparently good health as ever. He conversed with a neighbor a short time before four o'clock and this was the last seen of him alive.

The children at first thought the man was asleep but during the truth ran at once to the store of Alderman Sullivan who in turn notified the police. Chief Russell and Dr. Dalton were soon on the scene and after an examination had the body removed to the undertaking rooms of Arsene Boucher. The body was not bruised to any extent but the face showed signs of a few bruises, which led the officers to suspect that the man had fallen or slipped and that death had followed from heart disease.

Lee is survived by a wife but no children. The funeral arrangements have not yet been completed.

POCKETBOOK GONE
WITH THE CONTENTSPickpockets Busy On Rutland Railroad
Running Into Burlington—Robbed
N N Men of \$75 and Valuable
Papers Yesterday.

Burlington, June 8.—Pickpockets who have been doing a successful business on the railroads of this state for the past few weeks scored another hit yesterday, when they relieved George R. Law, a former resident of Lyndonville and now of Waltham Mass., of a pocketbook, containing \$60 in money besides some valuable papers, and an unknown traveling man of about \$15. It is thought that the thefts were committed on the train near Rutland and that the pocketbook got on to the train at that station. The train arrives here at 8:10.

Mr. Law got on to the train at Rutland, having bought his ticket there and displaying a roll of bills. He gave the ticket agent a ten dollar bill and put the change in his trouser's pocket, which was lucky, as it was at that time when he arrived in the city. The pocketbook was put in his inside coat pocket. When he got on to the train he was jostled by a man who disputed the way with him. He thought no more of it at the time but thinks that the money was stolen as he sat alone in the seat all the way to the city. The man who jostled him was described as about 30 years old and having a dark mustache. He was of medium height. Mr. Law thinks the man left the train at Vergennes or a station or two south of that.

The absence of his pocketbook was not discovered until Mr. Law was preparing to retire at the Van Ness house last night. He then went down into the lobby and heard the story of the other robbery. The pocketbook contained some Masonic and other secret society papers. The pocketbook was of black leather, with the owner's name inscribed in gilt letters.

\$100 FOR KILLING DEER.

Johnson Men to Pay in Installments.
Court Held in Ball Room.

Hyde Park, June 8.—The June term of the Lamotte county court opened here yesterday with F. K. Butler as presiding judge. Owing to the destruction of the court house by fire, court is held in the ball room of the hotel. At two o'clock the grand jury and petit jurors were called and charged by Judge Butler.

There are five cases to be tried by jury and the first of these, that of James S. Spaulding vs. Sanford Reynolds, Cambridge parties, is now on. This is an action to recover the pay for a gasoline engine. The next case for trial is that of H. H. Powers vs. Rutland railroad for pay for services as attorney.

Fred West and Napoleon Dubray of Johnson pleaded guilty, one to having unlawfully killed a deer and the other to having been in possession. They were fined \$100 and costs and placed in charge of probation officer for one year. They are to pay the county clerk \$25 each within 30 days and report monthly to the probation officer. Court will last about two weeks.

GIFT TO MIDDLEBURY.

Education Board's Conditional Offer
Brought Nearer by \$25,000 Donation.

Middlebury, June 8.—A gift of \$25,000 to Middlebury college was announced by President Thomas yesterday. The gift is for the general endowment and has been promised to meet the condition of offer made by the general education board on May 24.

The college must obtain \$150,000 by Dec. 31, 1911. Of this sum \$42,000 has been raised for a gymnasium, which, with the \$25,000 announced yesterday, will count on the total of \$150,000.

MAN THROWN FROM BED.

Lightning Made Edward Adams Uncon-
scious.

White River Junction, June 8.—During the heavy shower yesterday morning lightning struck a tree near the home of Edward Adams on what is known as Forest Hills and the impact was such as to knock Mr. Adams out of bed, rendering him unconscious.

A house nearby was struck, but little damage was done.

WIRELESS ACROSS LAKE.

System of Telephoning from Burlington
to Plattsburg Planned.

Burlington, June 8.—A representative of the Collins Wireless Telephone company is here today, making preliminary arrangements to establish a wireless line between Burlington and Plattsburg. There was a successful demonstration. The system is also used for the telegraph.

FESTIVITIES
ON THE HILLGoddard Seniors Were the
Guests Last Evening

CLASS DAY EXERCISES

Banquet and Reception Given by the Faculty and Various Responses Were Made by Teachers and Students. Alumni Day To-morrow.

Commencement festivities at Goddard seminary opened last evening with the usual banquet and reception given by the faculty to the students in honor of the graduating class. The banquet was served in the school diningroom shortly after 6 o'clock, after which Principal O. K. Hollister called the gathering to order and acted as toastmaster at the post-prandial exercises.

There were various responses by members of the class and by the faculty, and the occasion was one of great enjoyment. Miss Marion Cutler of Plainfield spoke on "Four Years at Goddard," and the same idea only covering one year, instead of four, was the topic of toast by John Dole of Enfield, N. H., and Miss Marguerite Cornell of Medford, Mass.

George Welch of East Corinth spoke on "What Next?" in which he referred to the course of seniors after graduation.

John McLean of South Barre spoke on "The Girls," and the sequel was told by Miss Viola Lucas of Thetford, in a toast on "The Boys." Then there were toasts from the seniors and the faculty.

John McLam of Ryegate representing the former and Miss Cheney of the faculty, Frank Towles of Washington spoke on "The Goddard Record," the school paper, and Mr. Heath of the faculty on "Athletics," while Miss Dora Cole of Gorham, N. H., had just "Goddard" for her topic.

The toastmaster concluded that part of the entertainment with some general remarks about the future of the class and their relations to the school.

At the close of the banquet, the party went to the upper hall of the main building, where a reception was held. In the receiving line were Principal and Mrs. O. K. Hollister, Miss Isham and Mr. Burinham of the faculty. Afterwards, there was dancing until 10:30 o'clock, music being furnished by Riley's orchestra.

The hall was handsomely decorated with school and college emblems and banners, with "rosy corners" and with flowers. The decorations were arranged by the subjunior, together with Miss Calf and Mr. Band of the faculty.

Class Day This Afternoon.

This afternoon at 2 o'clock, the exercises of class day were held at the school hall, there being a good attendance of relatives and friends of the students and of townspeople. The following program was carried out:

Rosetta—Festive—Mazurka..... Bolm
Miss Bonadell, Mr. Dole

Torch Dance..... Meyerbeer

Miss Lambertson, Miss Wells

To-morrow will be alumni day, when the program will be filled with programs appropriate to the day, and in the evening there will be prize speaking at Goddard hall. Graduation exercises will be held at the school on Friday at 10 a. m.

EASTERN STAR PEOPLE
MEET IN BURLINGTON

38th Annual Convention of the Grand Chapter Opened This Afternoon and Will Continue To-morrow.

Burlington, June 8.—Crowds of delegates are here to attend the Eastern Star chapter meeting, which opened in the Masonic temple here this afternoon. This is the 38th annual convention of the grand chapter.

This evening there will be a ball on Lake Champlain in the steamer Ticmoe-roga, lasting from 7:30 to 10:00. There will be dancing on the boat, for which Romeo's orchestra will furnish the music. A reception will also be given on board to the grand officers. An early supper will be served at 5:15 at the Van Ness house.

The business meeting will hold all day to-morrow and will probably be prolonged into the evening. The formal opening will occur in the morning, at which time Mrs. Lillian K. Clement of this city will deliver the address of welcome. The election of officers will take place at the afternoon session, and they will be installed in the evening.

The treasurer's report will show a very prosperous condition of affairs this year. The total receipts for last year were \$2,195.53 and the total disbursements, including the expenses of the last session, were \$1,795.61. The cash in the treasury, general fund, is \$5,513.61, the home fund \$2,064.90 and the hospital fund \$149.98. The total assets are \$7,724.53.

FELL FROM ELECTRIC CAR.

Walter Burke, Released from Jail Yesterday Morning, Had a Mishap.

Walter J. Burke who was released from jail in Montpelier only yesterday morning came again before the public eye last night, when he fell from the 9:30 car, bound from Montpelier toward Barre. While trying to get off the car, he fell, striking on his head, rendering him unconscious for twenty minutes. He was later found to be intoxicated and was locked up for the night. The conductor says it has been his custom to ride up Barre street until the conductor had collected the fares within a few seats of him, when he would get off and last night, near Hubbard street, he tried to do the same plan. Not being in a sober condition, he got off backwards and landed on his head. He was uninjured, with the exception of a few scratches and bumps about the head.

ROCK FELL ON HIM.

Cyril Mercier Sustained Fracture of One
Leg at Quarry.

While he was at work shoveling dirt out of a bank at the E. L. Smith & Co's quarry at 2:30 o'clock yesterday afternoon, a large-sized rock fell onto Cyril Mercier and caused a compound fracture to his right leg just above the ankle and the ankle was also badly bruised. It is thought that the stone had become loosened by the rain and suddenly fell out of the bank while Mercier was standing close by it. The rock fell from about 18 inches before it struck Mercier. He was taken to his home in Westerville and Dr. W. D. Reid of this city and E. H. Bailey of Granville were called to reduce the fracture.

DARTMOUTH GETS \$40,000.

Gifts from Manchester (N. H.) Woman
and New York Man.

Hanover, N. H., June 8.—Two gifts of \$30,000 and \$10,000 each to Dartmouth college were announced last night by President Ernest E. Nichols. The gift of \$30,000 is from Mrs. Jane Eastman of Manchester, N. H., in memory of her husband, Mrs. Allen Eastman, of the class of 1820, who died in 1881. The trustees voted to accept the gift and place with it a like amount to found a new chair of political science to be known as the Ira Allen Eastman professorship of political science.

The gift of \$10,000 is from Horace Russell of the class of 1865 of New York City, and is made conditional on the college raising \$90,000 to make a fund of \$100,000 to be used to increase the salaries of full professors.

BRATTLEBORO BOY CHOSEN

As Dartmouth Tennis Captain for Next
Season.

Hanover, N. H., June 8.—Fred H. Harris, 1911, of Brattleboro, Vt., was yesterday unanimously elected captain of the Dartmouth tennis team for next year.

Harris is New England intercollegiate champion. In his sophomore and junior years he won the New England intercollegiate championship in addition to which he, in his sophomore year, won with Capt. Smith, the championship doubles.

S. H. S. Concert Program.

The following concert program will be given by Riley's orchestra at the Howland hall Thursday evening, June 9, preceding the annual Spaulding alumni ball. Overture, The Bridal Rose, O. Lavigne, Spanish Waltz, The Enchantress, H. B. Blanke

Cello solo, Andante from 4th Concerto, G. Goltzmann

Selection from the musical play, Mary, Mary, Mary, Silvio Hein

Xylophone solo, Dill Pickles, Chas. Johnson

Finale, Marche Ruse, Louis Game

The concert will commence at 8 o'clock and immediately after its finish the ball will start.

TALK OF THE TOWN.

H. J. Clark of Northfield is in the city today.
